Response to Amendment

The amendment filed on 08/03/05 is found sufficient to overcome the prior art reference.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: 1, 2 and 3 are allowable because the prior art of record fails to disclose or suggest or teach the recited light assembly also having a second switch located adjacent to the exterior panels and to activate the panels to illuminate interior and exterior of the cooler (see claim 1); light assembly including an interior illumination member having a switch operable to activate and inactivate the member while the lid is in the opened orientation and closed orientation (see amended claim 2); an exterior illumination member and a second switch to be pressed by a user to inactivate both members and to activate both members to illuminate interior and exterior of the cooler, the interior and the exterior members being located in an aperture extending through the front wall (see claim 3).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mohammad Ali whose telephone number is (571) 272-4806. The examiner can normally be reached on Monday to Friday.

Art Unit: 3744
